

Economic Impact Report Summary

Purpose: This guide summarizes the sections of the AET's Economic Impact Report and tips for each section. This report guide also shares national statistics for general comparisons to your program.

Step 1. – Develop Your Program's Report:

- ✓ Choose the "Reports" in Your AET Teacher Account
- ✓ Choose "Economic Value Reports" in Program Reports Area
- ✓ Configure your span of years **or**
- ✓ Select one year for a single-year report
- ✓ Choose "PDF" to download your report

Step 2. – Review Your Data and Compare to National Averages:
